

DANCER'S EDGE

Nutcracker 2018

Parents and Dancers,

We are so excited to be going into our 5th Nutcracker season! Every year we make changes to further grow our production. Many variables go into making this show a success, we thank you for understanding the evolution of the program. The roles have been placed into age brackets to prepare the dancers for the roles they may be cast in. All dancers and a parent must sign and commit to Nutcracker and the role(s) they receive prior to walking into auditions on Friday, 8/24. Dancers cannot audition then quit once they receive their assigned role. If your dancer chooses to quit, they will not be permitted to audition for Nutcracker the following season. You will also be able to indicate the maximum amount of rolls that you are willing to accept.

New this year! We are adding older mice roles to Battle Scene. Our Battle Scene will more intense than ever before! These dancers will be able to showcase unique and difficult movements and will also dance and play with our baby mice. All while battling the Nutcracker Prince and Soldiers to protect the Rat King!

Nutcracker is a wonderful experience for your dancer, even the smallest roles are important to our show! Everyone will get their moment to shine but have to climb the ladder to do so, just as our teachers did!
